

SmartLF Gx+ 28

INNOVATION IN WIDE FORMAT SCANNERS AND SOFTWARE

Wide Format Scanners for Full Color
Graphics and High Definition Image
Capture

SUITABLE FOR:
GRAPHIC DESIGN, REPROGRAPHICS,
ARCHITECTS, FACILITIES
MANAGEMENT & ELECTRONIC
DOCUMENT CAPTURE (ISIS)

The Colortrac SmartLF Gx+ 28 is an adaptable, robust and reliable scanner. With excellent image quality and scanning speed, it is ideal for the small office, home office or small service bureau.

Small, powerful scanner

Key Features

SMALL, POWERFUL SCANNER

- ◆ Our FASTEST small scanner with 4ips color and 12ips monochrome @ 200dpi
- ◆ 1200dpi High Definition (HD) optical resolution
- ◆ 28in image width - perfect for scanning D size or A1 documents
- ◆ High density 48-bit for accurate color graphics and 16-bit greyscale for excellent monochrome image capture
- ◆ **NEW** Includes SmartWorks EZ SCAN/COPY/EMAIL software
- ◆ Reliable media feed system with advanced 2+4 all-wheel drive
- ◆ CCD² technology with unique, bi-directional LED³ lighting system for maintenance free, low cost operation from power-on. No warm-up and no waiting!
- ◆ Versatile media handling up to 0.08in / 2mm suitable for most media types. "T" model option for scanning mounted documents up to 0.8in (20mm)
- ◆ On-site upgrade from monochrome to color and express color - via Email
- ◆ ENERGY STAR[®] Qualified
- ◆ Compact small footprint, space saving design with low power consumption and low maintenance costs
- ◆ USB2 or Gigabit Ethernet connection to your network

Based on a proven CCD technology, the SmartLF Gx+ 28 is a reliable 28in wide large format scanner that suits the demands of professionals requiring full color graphics. With true 1200dpi optical resolution, the new SmartLF Gx+ 28 has more than enough resolving power for any large format scanning job.

CAD and Technical Drawings

Image Enhancement

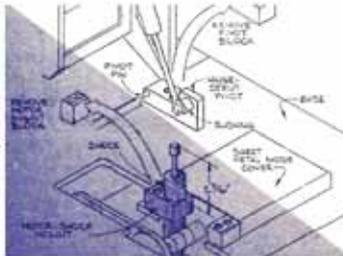

Image Restoration

Graphic Design & Photographs

All SmartLF scanners are available in three affordable specification levels: monochrome, color and express color, (m, c, e). m and c models can be easily upgraded via unique email process if requirements change.

Because you need large format scanning solutions that work for you:

SmartLF Gx+ 28 scanners include SmartWorks EZ SCAN/COPY/EMAIL software that combines wide format scanning and copying in one very easy to use program and has full compatibility with wide format printers through standard Windows drivers.

SmartWorks EZ is optimized for use with touchscreen monitors using a simple, intuitive user interface suitable for general office use.

SmartWorks EZ software
Everything you need is **IN THE BOX!**

Colortrac recommends:

SmartWorks Pro SCAN & COPY software for more demanding users.

The professional option with Colortrac's 'scan once' workflow for unrivalled control & productivity.

Includes Intelligent Adaptive Thresholding (IAT) - voted "Best in Class" and receiving 4.5 Star OUTSTANDING rating by BERTL.
