

# HP Universal Coated Paper, 3-in Core for HP PageWide Technology

## The HP large format printing system—the complete solution

HP PageWide XL, HP Designjet, and HP Latex printers, Original HP inks—including HP PageWide XL pigment inks—and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

## Choose the economical paper for everyday prints

### Accomplish more with consistent results every time

From working comps and design proofs to POP signage and special event posters, see high-quality, consistent image quality print to print and roll to roll. This paper is designed for high-production environments.

### Make the economical choice for everyday prints

Meet your everyday printing needs and enjoy consistent, high-quality results with this economical matte coated paper.

### Add flexibility—this paper is FSC® certified<sup>1</sup>

Use this high-quality printing material across a broad range of HP printers. Get added flexibility with this recyclable, FSC®-certified paper<sup>1</sup> that supports the development of responsible forest management worldwide.

<sup>1</sup> HP trademark license code FSC®-C017543, see [fsc.org](http://fsc.org). Not all FSC®-certified products are available in all regions.
