

HP Premium Bond Paper, 3-in Core for HP PageWide Technology

The HP large format printing system—the complete solution

HP PageWide XL printers, Original HP PageWide XL pigment inks and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

The economical choice for everyday prints

See the ColorPRO Technology difference

HP Premium Bond Paper, 3-in Core is designed for HP PageWide XL printers to deliver professional quality and striking results optimized for high-production environments. Set a new technical document quality standard with crisp lines, fine detail, and smooth grayscales. See vivid color at breakthrough speeds for GIS maps, technical documents, and point-of-sale (POS) posters.

Produce more—and keep the environment in mind

Print with HP Premium Bond Paper, 3-in Core for HP PageWide Technology and achieve breakthrough production speeds while meeting the environmental objectives of your company and clients with this recyclable¹ and FSC®-certified² paper.

The economical choice for high-production needs

Optimize your high-production and everyday printing needs with this reliable, economical paper. Controlled interactions between HP PageWide XL pigment inks and the paper provide you with high-quality printing in a single pass.

¹ Can be recycled through commonly available recycling programs.

² HP trademark license code FSC®-C017543, see fsc.org. Not all FSC®-certified products are available in all regions.

Target customers	Applications	Benefits
Architects	Architecture (AEC) and engineering (MCAD)	High-production printing
