Xativa Bright White Canvas

A bright white coated cotton polyester stretchable canvas with rapid drying properties and great colour vibrancy.

Ideal for indoor banners, fine art and photographic reproduction.

Produce truly artistic quality prints with this coated cotton polyester matt canvas. Thanks to its bright white slightly textured surface and special coating prints are highly durable and water resistant when using pigmented inks.

This stretchable rapid drying canvas is perfect for framing photographic reproductions and interior advertising and is compatible with all aqueous based dye, pigment and UltraChrome K3 Inks from all leading manufacturers.

All specifications are correct at time of print and are subject to change without notice. E&OE
