XXPMC230

Xativa Matt Coated Inkjet Paper

A 230gsm matt coated paper giving brilliant colour reproduction, improved ink absorption and a short drying time.

Ideal for working comps, full colour renders, drawings with large flood fills and photo realistic prints

Streamline your workflow and maintain high productivity with this instant dry matt coated paper. Its special coating allows you to produce highly saturated prints with stunning colour reproduction and excellent detail without rippling. Its great handling properties also allows you to laminate immediately after printing.

And to help meet the the environmental objectives of your company and your clients this recyclable FSC certified paper supports responsible forest management worldwide.

All specifications are correct at time of print and are subject to change without notice. E&OE
